Who Are We?

Kathy Massa is the owner and operator of Kathey's Kakes Unlimited. Her youngest daughter, Ginger, is the manager for the business.

Kathy took cake decorating classes 25 years ago as a hobby. She decorated cakes as a part-time job for about 20 years before going full-time as Kathey's Kakes Unlimited.

Ginger was about 4 years old when Kathy began decorating cakes. By age 12, she was making all of the butter cream frosting as well as helping with artistic designs. After graduating from Belmont University, Ginger moved back to Cookeville to work with the business full-time. Kathy taught her everything she knows about cake baking and decorating.

Kathy & Ginger now make a dynamic duo when it comes to creating amazing cakes. We are continually learning new techniques and seek to improve with every cake we make.
