WHO ARE WE?

Kathy Massa is the owner and operator of Kathy's Kakes Unlimited. Her youngest daughter, Ginger, is the manager for the business.

Kathy went back to school at Tennessee Technological University and received her degree in Food Systems Administration with a minor in Business in 1997.

After graduating and managing in several different local establishments, Kathy decided to pursue her dream and open her own business.

Kathy's Kakes Unlimited opened its doors as a full-service catering company in 2001. It grew quickly and Kathy's Kakes Unlimited is currently the fastest growing catering company in Cookeville and the Upper Cumberland area.

Offering Gourmet Boxed Lunches is one of the things Kathy wanted to pursue first. The love that Kathy and her staff have for great cuisine shows in the food we prepare. We make everything fresh to order, so you get the best quality possible.
